Acifort Classic+ safety

Excellent safety and hygiene for all. The Dunlop® Acifort® Classic+ has a very smooth shaft for excellent hygiene in food processing areas and the SRC rated outsole assures best slip resistance in this market segment. Because of the special Dunlop® Acifort® compound, the boot is resistant against fat, blood and chemicals. The shaft and sole are easy-to-clean, while the energy absorbing heel design gives extra comfort.

Protective toe
