PRODUCT CODE: AJB162-600-800

EVO Lite[®] Helmet With Slip Ratchet & Fitted With A Surefit[™] Visor Carrier: 20cm/8" Wire Gauze, Inter GPV Ear Defenders: SNR=25, Neck Cape, CR2 & 4-point Linesman Harness

TECHNICAL SPECIFICATION

HEAD PROTECTION

INSTRUCTIONS FOR USE

- Fit helmet on head and fasten strap to ensure fit
- Adjust cups until comfortably seated over each ear and pull visor down
- For adequate protection this helmet must be worn with peak facing forward
- Ensure the helmet is adjusted to the size of the user's head

SHELL:

High strength engineering grade ABS (Acrylonitrile Butadiene Styrene)

CR2 REFLECTIVE:

High Intensity Reflective offering, on average, 60% more reflectivity than standard reflective clothing material

WEBBING HARNESS:

HDPE Strap & Webbing Clips with Polyester Webbing Straps

CHAMLON[™] SWEATBAND:

Egyptian cotton core with porous PU coating for maximum sweat absorption. PH neutral, dermatologically tested

NECK CAPE:

Hi visibility neck cape provides protection against UV50 as well as being water proof and fire retardant providing complete protection to the neck.

SLIP RATCHET:

One Touch[™] Slip Ratchet version of the EVO Lite[®] is so simple to fit that it can be adjusted with just one finger

INTER GPV:

Helmet mounted ear defenders featuring a low profile and light-weight design . SNR=25

FORESTER

LIMITATIONS OF USE

Protection will only be offered if the helmet is fitted correctly

Ear pads may deteriorate with use and should be examined at frequent intervals

If the ear defender is to be worn for long periods the noise level must be reduced to 80dB

Spectacle frames and hair between the ear pads and the head may affect the performance of the ear defender

Hearing Protection should be used in accordance with the European Physical Agents (Noise) Directive 2003/10/EC

Any helmet subjected to severe impact should be replaced immediately. Do not apply paint, solvents or adhesive labels except in accordance with instructions from the manufacturer

The Mesh visor is only suitable for use protection against low impact particles. If the visor becomes scratched or damaged it should be replaced

The harness & ear pads, when in contact with the skin may cause allergic reactions to susceptible individuals. If this occurs leave the hazard area, remove the helmet and seek medical advice

The attention of users is also drawn to the dangers of modifying or removing any of the original component parts, other than as recommended by the manufacturer

DIMENSIONS OF HELMET

Size: 530 - 640mm

Weight: 758g (Approx.)

HELMET COLOURS

The EVO Lite® forestry helmet is only available in orange
